

Hello Castleberry Circle Neighbors!

It's time to sign up for the November Dine Around. The sign-up window begins October 5<sup>th</sup> thru October 15th. The November pairings will be sent out around October 20th.

A special welcome to all new Castleberry Circle residents with this being an invitation to have dinner with two residences (singles or couples) of your neighbors on a monthly basis. All current and former residents of Castleberry Circle can join Dine Around.

Here is how it works: You will be randomly paired with two other Castleberry Circle residences. One of the three residences will be designated as the "Host". The host will contact the other two residences and agree on a date. The host will then select a restaurant and organize the details on the get together. When dinner schedules conflict, brunch or luncheon times may be selected. Each subsequent month, the random process excludes the residents paired in the previous month. 2021-22 Dine Around months are November, January, February, March, April, and May.

We hope that all residents of Castleberry Circle, (new residents, current residents, snowbirds, and former residents) will join us as this is a great way to get acquainted with all of your neighbors around the circle. Call or text me at (605) 305-2709 or email [erzdan@yahoo.com](mailto:erzdan@yahoo.com) to be included in the program.

We have the following names of residences who participated before the pandemic suspended the monthly gatherings. You will be included in the November Dine Around unless we hear otherwise from you. Again, everyone is welcome!
